**COFFEE TALK!**

The Saint Ignatius College Prep Admissions Office knows that choosing a high school is not a snap decision. It's one reason the Admissions team offers prospective families opportunities to learn about the Wolfpack. Eighth

graders can shadow our current students on campus, and parents and guardians can grab a cup of joe at any one of our morning "coffee talks," which the Admissions Office is now hosting in the McLaughlin Theater. At a typical "coffee talk" session, parents hear from a panel of faculty and staff members to learn more about the Ignatius experience. They also hear from the students of the Wolfpack to get a better feel for our community. Optional tours follow the conversation. Admissions Director Maggie Nass says, "Parent admissions coffees are one of my favorite admissions events. Hearing from our students brings to life our amazing community!"

There was a "coffee talk" this morning, with two more to come this fall. One is October 25 the other is November 20.

## **WELCOME!**

Please extend a warm Wolfpack welcome to Beata Swacha, our new Chief Financial Officer. Mrs. Swacha followed her professional path to Saint Ignatius College Prep, but that's just the most recent part of her story. Born in Poland, Mrs. Swacha says she's always been analytical, open to working with others and interested in financial matters. She also says when she was a child her nickname was "boska" (which means "boss lady") because she took charge of things that needed to be done.

Mrs. Swacha has dedicated a couple of decades to building a career in finance, strategy and leadership. She is the mother of three beautiful teenagers and she loves working with young people. It's one of the reasons she's excited to be here at [1076 West Roosevelt Road](#). She talked about the opportunity the CFO position offers:

"My faith has always been my foundation in life, and to be able to marry that with what I'm good at professionally is something I never thought I'd be able to do," said Mrs. Swacha. "It's my job to make sure Saint Ignatius is positioned to continue providing this unbelievable experience for generations to come. My role is to help make dreams come true and leave the school in a better place for the next 150 years."

## **WHEELS FOR SISTERS**

Our Saint Ignatius College Prep family has so enjoyed getting to know Sister Mary Njane and Sister Edelquine Shivachi. As you can see in the Homecoming photo, they have become spirited members of the Wolfpack. We're hoping someone can help us help them have the best experience here possible. As the weather gets colder, we'd like to make sure they have a car to get to and from campus. If you might have the ability or know someone who has the ability to donate a used vehicle, please reach out to [President John Chandler](#).

## A MESSAGE FROM THE DEANS' OFFICE

### ATTENDANCE COMMUNICATION

As we approach the mid-point of the semester, the Deans' Office has begun to send weekly attendance emails to students with **six** or more whole-day absences. These students, as well as their parents/guardians, will be notified that they have reached **six** absences to try to reduce any discretionary absences for the rest of the semester in efforts to avoid pass/fail status. As mentioned in the last post, the Deans' Office has enabled attendance visibility on Blackbaud for parents/guardians and students.

### ARE YOU MISSING SOMETHING? COME CHECK THE LOST AND FOUND!

The Deans' Office has already accumulated a great number of items in the lost and found -- everything from sweatshirts, to purses/bags to water bottles. Students: Please stop by to look through the lost and found to perhaps reclaim misplaced belongings.

### VACCINATION REMINDER FOR THE CLASS OF 2025

This is a reminder from the school nurse that all students in the 12th grade are required by the State of Illinois to show proof of recent Meningococcal Conjugate Vaccination (Mer ACWY). Please note that this vaccination is different from the Meningococcal B vaccination.

All 12th graders **MUST** provide proof of receiving two doses unless the first dose was administered after 16 years of age. In this case, one dose is sufficient. The meningococcal vaccine provides protection from a severe form of bacterial meningitis and other illnesses caused by this bacterium.

**Students are subject to exclusion if the Meningococcal immunization deadline has not been met.**

In addition to your health care provider, many local health departments and pharmacies offer the vaccine. **Forms are due no later than October 15, 2024.**

## FORMATION AND MINISTRY - ADULT

### SPECIAL PRESENTATION WITH BRAD GREGORY, UNIVERSITY OF NOTRE DAME

On **Thursday, October 24, from 5:00 - 7:30 p.m.**, Brad Gregory will be on campus to speak about Christian martyrdom in the Reformation Era, when several thousand Christian men and women were executed for their religious beliefs. Mr. Gregory told their stories in his 1999 book *Salvation at Stake*. His discussion will be a reflection on how, after 25 years, his book has shaped how historians write about religious belief and practice. In the lecture, Mr. Gregory will reflect on the themes of his research on Christian martyrdom. This event will begin with Mass at 5:00 p.m. in the 5th floor Cuneo Chapel. The lecture and reception at Saint Ignatius College Prep will follow. The Société des Bollandistes, the Lumen Christi Institute and Saint Ignatius College Prep are the co-sponsors of this special lecture. Please register [HERE](#).

### Daily Mass and Mass Intentions

All parents (and students) are welcome to attend Mass at 7:30 a.m. in the 5th Floor Cuneo Chapel of the North American Martyrs. It concludes by 7:55 a.m., to allow all who join to get to class. Stop by the front desk for a pass.

## FORMATION AND MINISTRY - STUDENT

### JUNIORS: SUMMER IMMERSION TRIPS AND FAITH/JUSTICE PROGRAMMING

All members of the Class of 2026 will attend a mandatory Activity Period assembly on **Monday, October 21** to learn more about faith and justice programs with Student Formation and Ministry.

At this assembly, we will first introduce our summer immersion trips which happen in June, July and August. As a reminder, participating in a trip counts toward the senior retreat requirement. We know summer schedules fill up quickly, so we want to be sure students have all the information to plan for these signature faith and justice experiences.

Additionally, we will promote two justice trips. Those include the Ignatian Family Teach-In for Justice (**October 2025**) and the March for Life (**January 2024**). Many students cite these trips as foundational to their understanding of putting faith into action on behalf of the vulnerable.

### IGNATIAN VALUES DAY #2 AND ALL SAINTS DAY: FRIDAY, NOVEMBER 1

“From now on I am happy to think that the year preceding the Jubilee event, 2024, will be dedicated to a great ‘symphony’ of prayer. First of all, to recover the desire to be in the presence of the Lord, to listen to him and adore him.” ~ Pope Francis

Pope Francis has announced [2025 as a Year of Jubilee](#), a special time of celebration in the Catholic Church. In preparation for this joyous occasion “Pilgrims of Hope,” the Holy Father has designated 2024 to be a Year of Prayer. This is a time for us to share about the power of

prayer in our lives, and encourage others to commit to more regular ways to encounter the Lord in prayer.

During our Mass of All Saints, students and adults will remember the holy men and women who, while they have gone before us in this life, remain spiritually connected to us through the communion of saints. Following Mass, students and adults will hear different experiences of prayer from students and adults in our community.

### **FRESHMAN RETREAT: THURSDAY, OCTOBER 17**

All freshman students will attend the annual Freshman Retreat, a half-day, on-campus retreat integrating service, prayer and fellowship through a variety of large and small-group activities on **October 17**. The theme of the retreat is "Corpus," which is Latin for "body." This relates to Saint Paul's image of the body of Christ from his Letter to the Romans. Senior Arrupe Mentors guide freshmen through discussions, liturgy and various activities. Attendance on this retreat is a graduation requirement.

Students should check in at the Church of the Holy Family by 7:45 a.m. We have an engaging half-day planned and we want to make sure to start on time! The day will conclude at around noon. Please note that there will be no bus service or lunch provided on this day.

Students should plan to **dress in spirit wear and jeans** or in typical school attire. No skirts please, as students will be seated on the ground for different activities throughout the day.

Students should also bring a reusable water bottle.

If you have questions, please contact [Peter Corrigan](#).

## **LANGUAGE DEPARTMENT**

### **SEE WHAT YOU STUDY IN GREECE**

The deadline for indicating your interest in the Greece trip fast approaches! Please contact [Mr. Sparapani](#) **no later than October 31** to add your name to the list. Our tour will run from **May 27-June 3, 2025**. Open to all current sophomores and juniors (regardless of the language you currently study), students will tour ancient and Christian sites including Meteora, Delphi, Olympia, Mycenae, Corinth, the great Theater of Epidaurus, Athens and the Acropolis. We'll enjoy learning about modern Greek culture, sample great food

and take a day cruise on the Aegean Sea. Full trip details and final cost will be available by the end of October. A link to put down a deposit and secure a space will be sent to you once you have been approved.

### **LEARNING OUTSIDE THE CLASSROOM**

Dr. Miriam Leung writes: "During our visit to the Culture Center of TECO in Westmont, the Chinese 3, 4 and AP students fully engaged with various aspects of Taiwanese culture and art forms through hands-on activities and group performances. Their connection between language learning and cultural presentation was particularly impressive! We appreciate the hospitality extended to our students by the Culture Center. This visit also marked the six-

month anniversary of our Easter trip to Taiwan, making it a warm homecoming experience for many in our group."

## SCHOOL COUNSELING

### COUNSELING GROUPS

All students recently received a survey to gauge their interest in joining a counseling group this semester. If you think that your son or daughter might benefit from meeting with other students for social-emotional support, please feel free to reach out to [Ms. McNellis](#) in the School Counseling Department.

*What exactly is a counseling group?*

Counseling groups bring together students who are going through or have gone through similar experiences. A group provides an opportunity for people to share personal experiences and feelings, coping strategies or firsthand information with each other.

*When do these groups meet?*

Groups will meet once a week on the same day and time in room 221.

*Why would I join a group?*

Groups provide students with the opportunity to connect with others who can relate to their experiences. They also give students the opportunity to share coping strategies in dealing with difficult situations.

If you have any questions about counseling groups please feel free to reach out to [Ms. McNellis](#) in the School Counseling Department.
