FORMATION AND MINISTRY - STUDENT

SENIOR SERVICE CAPSTONE TO GET UNDERWAY...

This January, 32 Saint Ignatius seniors will be the first cohort in our Senior Service Capstone, a new integrative experience of faith and service. Over the course of three weeks following Christmas break, these seniors will serve at 12 different social service organizations across the Chicagoland area in various ministries such as elderly care facilities, food pantries, and Catholic elementary schools.

These students have been called to live out our mission – to be women and men for and with others. As Jesus said in the call of the first disciples in the Gospel of Luke, they have been called to “put out into deep water” – to take risks, and respond more generously to express faith through service. At our Advent First Friday Mass, they were commissioned to build mutually enriching relationships, and in so doing, reflect more deeply on God’s call for their lives.

**The picture we’ve included shows the blessing in the Church of the Holy Family for our inaugural Capstone group.
