## ACADEMICS

### BE A STUDENT'S CHANCE TO SEE THE WORLD!

Saint Ignatius College Prep is looking for four families to open their hearts and homes to give a student a once-in-a-lifetime experience! We are thrilled to welcome four young people from two Jesuit high schools in Lithuania for the 2025-2026 academic year. We are in need of host families for these rising juniors. By opening your home, you'll not only be giving a student an incredible opportunity, but you will also be enriching your own family's life in countless ways. If you are interested or open to learning more, please contact Assistant Prefect, [Beth Carney](#).

### NEW OPPORTUNITY: CLASS OF 2027 BOSTON COLLEGE AMDG PROGRAM APPLICATION INVITATION

The Institute for Advanced Jesuit Studies at Boston College has invited Saint Ignatius College Prep to be part of a select group of Jesuit institutions to participate in the fully-funded **AMDG Program** launching this summer. **AMDG** is part of the Lilly Endowment's National Youth and Young Adult Initiative on Faith and Service. It aims to promote the renewal and expansion of

Catholic faith practices by promoting service that is accompanied through the lens of Jesuit spirituality. This piloted program will involve 25 Jesuit high schools and parishes.

Program expectations outline that students must have a year of high school remaining following program completion. As such, application is being made available to rising juniors. Members of the Saint Ignatius Class of 2027 are invited to apply to the 2025-2026 cohort of AMDG participants. 10 students will be selected. The program will cover the costs for travel, room and board, and materials. There is no program cost to the student. ***This unique opportunity calls for a serious, intentional commitment from the Summer of 2025 through the Summer of 2026, including the following expectations:***

- **AMDG** begins with the making of the Spiritual Exercises on the Boston College campus through participation in [Ever to Excel](#) occurring **July 13-18, 2025**.
- Participating Saint Ignatius students will commit to a long-term group service commitment while gathering periodically as a cohort to engage in spiritual conversation and the completion of **AMDG** formation modules during the 2025-2026 academic year.
- During the Fall of 2025, the student group will attend a retreat at a Jesuit retreat house in the United States.
- In the Summer of 2026, **AMDG** participants will travel to Spain for a capstone experience of a walking pilgrimage on the Camino Ignaciano. The Camino Ignaciano, or Ignatian Way, is a pilgrimage route in Spain that follows the path of St. Ignatius of Loyola in 1522. Trip details will be determined in consultation with the Institute for Advanced Jesuit Studies at Boston College. We expect the trip to span up to 10 days.

Interested participants should be confident in their Catholic faith, open to new experiences, and committed to completing the entirety of the program. Participants must also bring a spirit of openness and recognize that a number of details will continue to be determined as the program progresses.

Interested students must complete the application you'll find [HERE](#), by Monday, March 17. Please direct questions to [Assistant Prefect Beth Carney](#).

## CLASS OF 2027 REGISTRATION

## FORMATION AND MINISTRY - STUDENT

## LENTEN RECONCILIATION

As we begin the season of Lent, we want to make sure students at Saint Ignatius have a chance to journey with Jesus through prayer, fasting and almsgiving. All students will have the opportunity to receive the Sacrament of Reconciliation during their theology classes in early March. This protected time allows students the chance to pray and reflect on God's promise of mercy. In addition to individual confession, students may also pray the Rosary and spend some time praying with the Scriptures. These services will be held in the Church of the Holy Family.

## FRESHMEN/SOPHOMORE SERVICE HOURS - UPCOMING DEADLINES

We are quickly moving through the second semester, and wanted to send a reminder about freshmen and sophomore service hour requirement deadlines. As we begin the season of Lent, each of us in FAM is grateful for the opportunity to get to know each of you as you come to see us in FAM about your service hours and as we meet during retreats.

**For sophomores, the service hour deadline is on March 17. [HERE](#)** are the requirements for the Class of 2027.

**For freshmen, service hours are due on April 28. [HERE](#)** are the requirements for the Class of 2028.

A reminder that you are required to meet all of the following steps to complete the requirement:

1. Meet with FAM to have your service pre-approved
2. Complete the service
3. Submit your service to Mobile Serve (with a site supervisors email)
4. Have your hours verified by a site supervisor
5. Have your hours approved by FAM

These five steps are all essential to completing the requirement.

If you are struggling with ideas or uncertain how to proceed, we in FAM are here to help! Please come into FAM and we can support you and share more specific ideas. We would rather you find and focus on meaningful experiences of service even if it is after the deadline (including over Spring break). This is why we are providing an extension opportunity:

**Need more time? Anytime between now and March 17**, any student may come into FAM, and complete a service extension plan. Please come and speak to any member of FAM about HOW and WHEN you will finish your hours. This conversation will conclude with the completion of a Google Form describing your detailed and specific plans for fulfilling your service commitment.

We are here to support you in completing this graduation requirement!

Please review our ongoing service opportunity sites for ideas [HERE](#).

We wish you a prayerful Lenten Season.

## SHOUT-OUTS!

### PUBLISHED POETS!

Madame Guzik's AP French students wrote and submitted original poetry in French to DePaul's Literary Magazine, *Mille Feuille*. *Mille Feuille* is a French Literary Magazine sponsored by the College of Liberal Arts and Social Sciences, the Department of Modern Languages, the Study Abroad Office and Student Life at DePaul University. French students from around the Chicagoland area are invited to submit their work for consideration of publication.

This year, Teddy Flynn '26, Tommy Russell '25, Idle Pons Grau '26 and Greer Waller '25 are featured in the Spring 2025 issue of *Mille Feuille*. Attached are photos of our poets who just received their letter from the Department of Modern Languages congratulating them on their good work. You can explore *Mille Feuille* by clicking [HERE](#).

### MOM AND SON: MAN AND WOMAN FOR OTHERS

This shout-out comes from Dr. Agne Paner, mom of Gabe '26. She and Gabe are training for another important bike ride this year -- one that will help people battling cancer. She writes:

"The Pan Ohio Hope Ride is a four day long bike ride spanning 328 miles from Cleveland to Cincinnati. Since we are relative beginners, Gabriel and I bike only one day(:), which takes months of training. We will bike again as a part of team Bond Pathfinders to honor Jim Bond. Sadly Jim passed away last year after surviving with multiple myeloma for 31 years, but his legacy lives on."

The PanOhio Hope Ride benefits the Cleveland Hope Lodge, which "provides free accommodations to cancer patients and their caregivers when their best option for care is far from home."
