PRAY

SPIRIT

(PHOTO COURTESY VATICAN NEWS)

Saint Ignatius College Prep joins the world in celebrating and praying for the new leader of the more than one billion Catholics around the globe.

Shortly after 11:00 a.m. Chicago time, cardinals in the Conclave signaled their selection. Following the third ballot, smoke billowed up from the special chimney on the Sistine Chapel. The crowd erupted with cheers of "Blanco! Biały! Blanc! Weiß! White!"

About an hour later, people in St. Peter's Square and beyond heard the news: In his election, Robert Francis Cardinal Prevost, who took the name Pope Leo XIV, became the first America-born pontiff -- and he's from Chicago! The Sun-Times reports the south suburban native went to Villanova and received a Master of Divinity from Catholic Theological Union in Hyde Park -- just some of the preparation that would bring him to the moment he met the world.

QUEST FOOD
SERVICES

At 12:23 p.m., Pope Leo XIV stepped out onto the papal balcony and greeted the masses. He said, "Peace be with you all." He also asked the faithful to pray for the late Pope Francis, encouraging them to continue Francis' mission of "building bridges."

Additional info:

We distributed caps and gowns on April 30. If students have not yet collected their cap/gown, they must collect it from the Prefects' Office by **Friday, May 9**. Students should open their Jostens package and ensure it includes a cap, gown, gold stole with school seal and tassel, and they should hang the gown on a hanger. Only Jostens-issued garb is permitted at the ceremony. Honor Cords will be distributed at graduation.

IMPORTANT: Class of 2025 Graduation Practice will be Monday, May 12 in the Gentile Gym at noon.

CLAP OUT

Before we officially say "goodbye," let's send off our seniors the Wolfpack way! Our annual clap out is **Friday, May 9 on Fornelli '51 Field (parents) and the Quad (students) at 2:10 p.m.**

Senior parents should have received email information from Saint Ignatius College Prep about how they can be part of this tender tradition. We look forward to seeing you!

SEMESTER EXAM INFORMATION

All students will take their exams in their regularly scheduled classroom with their teacher as the proctor. The exam periods are 100 minutes in length. All students will have 90 minutes to complete an exam that was designed to be completed in 60 minutes. The exam schedule is:

Monday, May 19 - A, B, I

Tuesday, May 20 - C, D, E

Wednesday, May 21 - F, G, H

No classes are meeting on these days. Students are not required to attend the scheduled class meeting time unless they are taking an exam.

All students will receive a personalized exam schedule the week of May 12.

If a student has three exams scheduled for one exam day, and he/she would like to reschedule his/her last listed period exam, the student will be asked to complete a Google form request to reschedule the exam to another exam day.

Students who have three exams scheduled for one day received an email containing a link to this Google form. That form was due by April 30. All requests will be reviewed, and an approval email with the rescheduled exam details will be sent by May 9.

If you have any questions regarding exams, please contact your student's School Counselor.

AP TESTING DETAILS...

Advanced Placement testing is well underway. The AP Tests began on Monday, May 5, and continue into next week. If you have questions, Ms. Yanni-Tiller advises taking a look at the information in Blackbaud under the "AP Resource Tile."

HELP A STUDENT GO GLOBAL...

Saint Ignatius College Prep is looking for families to open their hearts and homes to give a student a once-in-a-lifetime experience! We are thrilled to welcome four young people from two Jesuit high schools in Lithuania for the 2025-2026 academic year. We are in need of host families for these rising juniors. By opening your home, you'll be giving a student an incredible opportunity, and you'll be enriching your own family's life in countless ways. If you are interested or open to learning more, please contact Assistant Prefect, [Beth Carney](#).

WAY TO GO! SENIOR CLASS AND UNDERCLASSMEN AWARDS...

These are bittersweet days at 1076 West Roosevelt Road. Summer brings the promise of sunshine, longer days and time to catch a collective breath. But the "goodbyes" that are so prominent at the end of any school year -- especially with our seniors -- bring those familiar annual happy tears. Before we "clap out" the Class of 2025 tomorrow, we want to take a moment to shine a spotlight on those students who've really shared their talents. After the completion of last Friday's Mass of Mission and Thanksgiving, we took time to celebrate several seniors with a number of academic, athletic and service awards. We also honored members of the Class of 2026, 2027 and 2028. Please join us in congratulating this group of high achievers, and click [HERE](#) to find the full list of the honorees. **Job well done!**

SENIOR SERVICE CAPSTONE

Formation and Ministry has been hard at work planning for the full class implementation of the Senior Service Capstone. Our primary focus has been developing an expansive set of Capstone Partner Sites where our students will serve. On April 30, we met with the Class of 2026 to share more details in a class assembly. In the coming weeks, we plan to share more information about the program, including providing a frequently asked question document and a "Did You Know?" series of insights about the program. For now, please encourage your student to come into FAM with any questions or ideas about the program. Please contact [Peter Corrigan](#) with any questions.

Students who have questions or concerns are advised to come to FAM suite 140 and see Sr. Edelquine.

LIBRARY NEWS

FOR YOUR SUMMER READING LIST...

Parents, in the spirit of *cura personalis*, our Jesuit commitment to the holistic development of each student, the library would like to highlight two insightful reads. Jennifer Breheny Wallace's [Never Enough: When Achievement Culture Becomes Toxic—and What We Can Do About It](#) explores the pressures of relentless achievement and offers strategies for fostering well-being and intrinsic worth. Complementing this, Linda Flanagan's [Take Back the Game: How Money and Mania Are Ruining Kids' Sports—and Why It Matters](#) examines the intense pressures and commercialization within youth sports and their impact on children's enjoyment and development. Both books encourage us to reflect on how we can cultivate environments, both academically and athletically, that prioritize our students' overall well-being, resilience and genuine love of learning and activity. We encourage you to check out these valuable resources from your local library and consider how we can collectively support the flourishing of the whole person in our students.

SHOUT-OUTS!

A NOTE CELEBRATING OUR CLASSICS CLUB SENIOR OFFICERS!

The Classics Club at Saint Ignatius has always been a place where students of Latin and Greek can explore fun aspects of ancient culture and socialize with their fellow scholars. However, it's one thing to declare these values in the abstract, it's another to exemplify them concretely. This is the case of our remarkable gang of Senior Classics Club leaders: Teddy Chong, Simbo Ejeta, Eloise Guth, Nadia Millar, Christopher Morris, Ava O'Hara and Penelope Setzer. Their content was always engaging: Nadia's and Simbo's fun Latin buzzer board games; Chris' engaging myth re-enactments; Penelope's Ancient Rome Conjuratio (a mafia-style game); Ava's and Eloise's classically themed graphic projects; and Teddy's wonderfully quirky service projects. But what made this varied menu so special was the leaders' obvious passion and gusto on display at every meeting. An ancient Greek wish recites: "may you be a speaker of words, and a doer of deeds" -- meaning "may you distinguish yourself by fine words, and by fine actions." Teddy, Simbo, Eloise, Nadia, Chris, Ava, and Penelope: You have indeed been speakers of words, and doers of deeds. Magister Sparapani and I (Dr. Cirulli) are so proud of you. You are now on the brink of a new, and exciting academic adventure. Just one recommendation for the future: Sic itur ad astra, which essentially means "keep following the way to the stars." Never cease to be the passionate, intellectually curious people we have come to know so well--and never stop being an inspiration for your peers.

OUR FANTASTIC FRENCH STUDENTS!

All the French Honors classes participated in the Grand Concours (National French Contest) in March. Students were evaluated for their written, oral and listening comprehension skills in French. More than 46,000 students competed nationally in the 2025 event. Our Ignatius students had exceptional results: Three gold medals (above 95th percentile), 11 silver medals (94th-85th percentile) and 10 bronze medals (84th-75th percentile). They received their medals on May 6 at the final activity period for seniors. We are very proud of our students and their hard work in French! All medalists are students of Ms. Guiu, Ms. Guzik, or Ms. Johnson.
