FORMATION AND MINISTRY - STUDENT

Eucharistic Minister Training

We are ecstatic about the number of juniors and seniors (140) that have expressed interest to be trained as an Extraordinary Minister of Holy Communion. Those that complete the training will be commissioned at the November 7 Ignatian Values Day Mass at 8:20 a.m. This mass will be live-streamed with additional seating available for our guests. Students will be placed in a rotation to serve at the all-school masses. Their commissioning will allow them to serve in their parishes and at other Catholic liturgies. We are delighted to see so many students willing to serve as liturgical ministers.

Freshman Service

We are so pleased and grateful to all the Freshmen who have already started to do their service. We have seen many of the Freshmen service hours successfully logged into Mobileserve. This shows the willingness of being open to growth among our Freshmen. Members of Formation and Ministry, led by Sr. Edelquine, have visited Freshman advisory periods recently, and have helped our Freshmen understand the purpose of service, requirements for service, service deadlines and how to log their hours into Mobileserve. We encourage all Freshmen to use this chance to download the Mobileserve App, ask questions about service and go out to serve the school and community.

We ask all our Freshmen to take advantage of our [running service opportunities document](#). There are many sites on that document that the students can go to for service.

Sophomore Chapel Reflections

The Fall sophomore Chapel reflections are scheduled for **October 20 to 24 in the fifth floor Cuneo Chapel**. These involve each Sophomore theology section where students reflect on Scripture and link that scripture to their service. We encourage all Sophomores to use this “mini retreat period” to understand deeply the purpose of service and how service recapitulates the mission of Christ who served to the peripheries.

Junior Retreat

All Juniors have been assigned to either an Emmaus or Kairos retreat. Student permission forms will be sent out 4-6 weeks prior to their retreat date. We look forward to these formative experiences with our Juniors as they navigate their junior year and grow in their faith formation. Questions may be directed at Junior Class Chaplain [Tiffany Swann-Covington](#).

Senior Service Capstone Program

All members of the Senior Class have now completed two Capstone Formation meetings led by Formation and Ministry. In partnership with Dr. John Igwebuike and Ms. Kitty Hooper from the Office of School Culture, students

learned about the importance of a growth mindset as they approach differences in their first session. Students reflected on the call of the disciples in Luke’s Gospel (5:1-11) as they were challenged to look at the Capstone as an experience of “putting out into deep water.” Further conversations focused on the importance of accompanying the diverse communities that they will encounter with humility, curiosity and openness. Inspired by our Catholic faith and sustained by our Jesuit values, students expressed excitement and enthusiasm for this integrative experience of faith in action.

The second Capstone Formation session, held last week, focused on uniting our faith with best practices for success in professional work environments. This included

Ite Inflammate Omnia (Go Forth and Set the World on Fire)

- SAINT IGNATIUS

reflecting on lessons they have learned in community, particularly on committing to healthy practices in communication and everyday interactions with others.

Students will receive their Capstone Site placements **before October 21**. As a reminder, all Seniors will be required to attend a **VIRTUS safe environment training** (lunch provided) after IVD (~noon) on **Friday, November 7**. This training will conclude by 3:00 p.m.
