SAINTS AND SOULS

Last Friday, the Saint Ignatius College Prep community gathered for its second Ignatian Values Day of the year - a day devoted to reflection, community and purpose. The theme for the day was "Vocations: Discerning God's Call," and students were invited to consider how their talents and experiences can be used in service to others.

The Grad-at-Grad value of *Religious* calls students to reflect on what it means to live with faith and authenticity in daily life. The celebration began with Mass in the Church of the Holy Family, where we honored the feast of All Saints of the Society of Jesus and more than 70 students were commissioned as Eucharistic ministers - a powerful reminder that leadership begins with service. In the spirit of All Souls Day, the community also prayed for loved ones who have died and for all veterans who have served our country.

The spirit of discernment carried into the afternoon as faculty and staff heard from Rev. Deacon Royce

6:00 to 7:30 p.m.

CAMPUS SAFETY

Lockdown Drill

We will hold our annual lockdown drill tomorrow - Friday, November 14 - with the help of the Chicago Police Department. The drill will begin at approximately 9:50 a.m. during the homeroom period. The drill should last approximately 10 minutes.

It is deeply unfortunate that lockdown drills have become a necessary activity. Though we hope never to face such a situation, preparedness is essential. Students feeling anxious or distressed about the drill are encouraged to reach out to their counselor for support.
