

SAINT IGNATIUS COLLEGE PREP

2021 ~ 2022 ANNUAL REPORT

Letter from John J. Chandler, President

J.M.J.

Dear Partners in the Mission of Saint Ignatius College Prep,

As each of you and the world around us continues to emerge from the pandemic, we give gratitude to God for your health, recovery and your continued support of the Mission of Saint Ignatius. It has been a year of transitions. Ms. Brianna Latko, our Principal for the past nine years has retired and we have introduced a new leadership model. Dr. Sterling Brown joins us as the Prefect of Studies with responsibility for the faculty and the curriculum. Dr. Geoff Miller assumes the position of Prefect of Mission with the responsibility for areas that form the heart and soul – pastoral ministry, athletics, activities and the Dean's Office. Both of these professionals bring to Saint Ignatius long and deep tenures in Jesuit secondary education. Ms. Kristyn Hartman has joined us as our Director of Communications and Dr. Jesse Meyer as Chief Development Officer. While we are excited about our new colleagues, we are grateful for the high retention of the many men and women who have devoted their lives to the vocation of teaching and student support.

Families and students continue to choose our school for their children's education and formation. We have enrolled a record number of students (1,515) this fall with a freshmen class of 409. In an era when so many Catholic, private and public schools are experiencing decline in numbers, we are blessed with strong interest in our Mission as a Jesuit and Catholic High School.

Your support and prayers have enabled us to offer financial aid to over a third of our students. Your gifting has brought new opportunities for our students and faculty in programs and capital improvements. Examples such as the addition of a second learning specialist and the reconstruction of an all-weather baseball field will offer our students better opportunities for success. We can also provide our teachers with competitive salaries and benefits.

The Board of Trustees has completed their work on strategic planning, which will guide us in the next five years. While we know there will always be "headwinds" and challenges, we are confident that with your prayers and continued support, we will be able to build on the foundations that our founder, Fr. Arnold Damen, S.J., established.

Whenever you find yourself in the neighborhood, please feel free to stop in and see first hand our students and faculty, praying, learning and growing as a community. Also, check our website www.ignatius.org or follow us on social media to learn about all that happens at 1076.

With humble and heartfelt gratitude,

A.M.D.G.

Letter from Martin Cabrera, Jr., 2021-22 Chairman of the Board of Trustees

Dear Fellow Partners of Saint Ignatius College Prep,

I am honored to serve as Chairman of the Board of Saint Ignatius College Prep. Having the chance to serve the school in this capacity is an experience I cherish every day. I am grateful for the opportunity to work with so many in our school community to help advance the great mission of Saint Ignatius.

It is with pride and sincere gratitude that we share with you Saint Ignatius College Prep's Annual Report for 2021-2022. In the pages that follow you will see recaps of school events that took place during the 2021-2022 school year. These included Masses, reunions, fundraisers, athletics, plays and graduation to name a few. We reaffirm our commitment to providing a school community where our student body can learn together in a safe, welcoming, and inclusive environment. Central to our faith is the belief that every human being is made in the image and likeness of God and, therefore, possesses an inherent, inviolable dignity.

Your dedication to the Jesuit values that are rooted at 1076 W. Roosevelt Road help to ensure that our school will provide a Jesuit Catholic education for years to come. Many of our school's honors and achievements are also listed inside this report and I know they will serve as a point of pride for you and your families.

By sharing your gifts of time, talent, and financial support with our students, you have made a direct, lasting, and positive impact upon the students' lives. We would not be the school we are today without the dedication of our faculty and staff, the commitment of our boards and committees, the confidence of parents who entrust Saint Ignatius with the education of their children, and the generosity of our donors.

I am amazed and affirmed by the level of support we receive that ensures we are living our mission and bringing forth our vision. You are the driving force behind everything we have accomplished and all that lies ahead in our bright future. Your generosity helps ensure our school community remains inspired by the gospel of Jesus Christ and strives to use God's gifts to promote social justice for the greater glory of God.

Our annual report serves as a testament to the incredible spirit of our school community. I pray that we may continue to bring forth students who Inspire, Serve, and Lead for generations to come!

Our gratitude is unending and we thank you for supporting Saint Ignatius as we strive to provide the best Catholic, college preparatory education to our students now and in the future.

May the Lord continue to bless you, your families, and Saint Ignatius College Prep.

With sincere appreciation,

Martín Cabrera

Ways to Give to Saint Ignatius College Prep

DIRECT GIFTS

Direct monetary gifts are accepted in the form of checks, charges or money orders. Payments can be made to the Development Office at Saint Ignatius College Prep or visit our website at www.ignatiusalumni.org/SupportOurStudents to donate online. Please contact a development officer for more information on giving or making a pledge.

GIFTS-IN-KIND

Another way benefactors may choose to help the students of Saint Ignatius College Prep is through gifts-in-kind. The value of these gifts is included in the respective individuals' total giving throughout this report. Following is a small sampling of these types of gifts that were received during the fiscal year: golf for three at the Bel-Air Country Club, waste disposal services, legal services, gift cards for prom attendees on tuition assistance, and tickets for Cubs and White Sox games. Please contact a member of the development staff if you have questions about what types of services are needed, and how to give an in-kind gift.

MATCHING GIFTS

Check with the human resources office at your place of employment for a matching gift form, and enclose it with your contribution. For a list of matching gift companies, please contact a major gifts officer, or visit <https://invest.ignatius.org/support/matching-gifts> to look up your company.

PLANNED GIFTS

There are various types of planned gifts that Saint Ignatius College Prep can manage, including charitable gift annuities, deferred gift annuities, bequests and life insurance, as well as transferring assets of real and appreciated property. The Estate and Tax Advisory council — made up of alumni, parents and friends of Saint Ignatius College Prep — is available to assist benefactors and the Development Office in finding the best strategy for each individual. Some Planned Gift options include:

- **Charitable Gift Annuities** — payments to donors begin as soon as the gift is made, and donors receive immediate tax deductions.
- **Deferred Gift Annuities** — the donor has flexibility in determining the start date of payments. For example, if the gift is made at age 50, the donor may choose the starting date of the payments anytime between the ages of 55 and 80. Charitable deductions are available immediately.
- **Bequests** — the donor names Saint Ignatius College Prep as the remainder beneficiary of their estate, or makes a specific bequest to support one or more school programs, i.e., financial aid, endowment, construction, etc.
- **Life Insurance Policies** — a benefactor can donate paid-up life insurance policies or pay premiums on a new policy that designates Saint Ignatius as owner or beneficiary.
- **Real Estate** — generous benefactors have used various vehicles to donate appreciated real estate to Saint Ignatius College Prep in the past. Please contact the Development Office to learn more about how you can assist our students through a gift of real estate.

STOCK GIFTS

When considering a gift to Saint Ignatius College Prep, donors often think of giving cash. However, because of the enhanced tax benefits, other kinds of assets (stock and real estate) are used to make gifts. If you gift Saint Ignatius College Prep with stock, please be sure to include your name, the name of the stock, the number of shares and the date of the transfer. Please notify Brandon Stein at 312-432-8341 when a stock transfer is being made to Saint Ignatius. If you gift Saint Ignatius with a stock certificate that is already in your name, please call us for a stock power document. Your stock certificate will have to be signed and dated by those whose names are on the certificate, and we will need a brief note indicating your intentions of transferring the stock to Saint Ignatius.

Donate Through Empower Illinois and Your Gift Will Be Matched 1 to 1

The Illinois Invest in Kids Tax Credit Scholarship Program offers a 75% tax credit for your gifts to Saint Ignatius, quadrupling your impact. An anonymous benefactor will then match all gifts 1:1. We asked some members of the school community to talk about why they support Ignatius and why they donated through Empower Illinois.

NOLAN BURKE '98 AND GEORGIA CHESWICK BURKE '97

We give to Saint Ignatius for two reasons. First as parents of two students at the school we give to fulfill our parent commitment. But as alumni and individuals committed to supporting access to quality education for all we have always given to ensure that young men and women across the Chicagoland area have affordable access to the talented faculty, coaches, Jesuit values that Saint Ignatius has to offer.

In recent years we have chosen to give through Empower Illinois because we believe in the platform as a way to support families and allow access to private schools. Our kids' parochial grade school has used Empower Illinois to support families and Georgia's professional experience there offered her a first hand behind the scenes look at how easy it was for qualified families to receive funding and enroll at the school. We would like to offer that for families interested in joining the Saint Ignatius community as well. When it came up as an option for also fulfilling our parent commitment, we did some further research about the tax credits available to the donors and decided it was a way we could make our dollars go further for us and the recipients.

We don't think there is a single item to be considered most important there. We are glad to see service to others remain an important part of life for students there. We are grateful for the challenging curriculum to support developing minds. We look forward to it always working to be a welcoming community to all and supporting through Empower Illinois helps make it a place where students from all backgrounds can gather and learn from each other and the awesome faculty.

DENNIS AND LINDA MYERS

Our family has had a tremendous experience being part of the Saint Ignatius community. Two of our children, Megan (class of 2016) and Ryan (class of 2018) got an excellent college preparatory education, were involved in sports and other school activities and made life-long friends and Saint Ignatius alumni connections in and outside of Chicago. I served on the Board of Trustees for several years and was privileged to be involved with strategic planning for the school and to learn first-hand the passion that our faculty and administrators have for Jesuit education. We are blessed with the resources to give back to the community that has done so much for our family. It feels right to help provide this opportunity to other families through our gift.

Giving through Empower Illinois is a tax advantageous method of facilitating the gifts we want to make to support education. Dennis and I are first generation college graduates and are keenly aware of the power of education to positively change lives.

Saint Ignatius is educating young people for life. Its mission of making top notch education available to students regardless of economic means is critical to bring opportunities to those who can make a difference in our world. Our future will always be in the hands of young people and Saint Ignatius is getting the best and the brightest prepared to take the lead.

GEORGE '67 AND PATRICIA CLAM

One's high school years are always formative years. My time at Saint Ignatius provided, in many ways, an excellent foundation for my future endeavors. I continue to believe in the school's mission of providing a quality education and a well rounded high school experience. Consequently, I wanted to support their continued efforts to provide that experience to others.

I first read about the Empower Illinois program in the Ignatius Magazine a few years ago. There are a few reasons that donating to Saint Ignatius through the program is beneficial.

First, the 75% state tax credit and the ability to donate appreciated securities through Empower Illinois allows me to leverage my donation to the school.

Secondly, I've found Empower Illinois very responsive and easy to work with. Most of the donation process can be accomplished through their website and if there are questions, they are quick to respond.

Finally, the program specifically targets assistance for those who could not otherwise afford the tuition. This broadens the universe of students who can benefit from the Saint Ignatius experience.

Saint Ignatius continues to provide a rigorous academic environment to a broad range of students from across all areas of Chicago and many suburbs. These diversified student backgrounds and ethnicities provide the fertile learning environment that has helped the school turn out well rounded, achievement oriented students for over 150 years.

Parents of Current Students

Tuition fees do not cover the total cost to educate a Saint Ignatius student. Through the Parent Commitment Program, parents and guardians made up the difference with \$5,402,934.00 in monetary donations and gifts-in-kind. We recognize the commitment and sacrifice made by our families and we're extremely grateful for their loyalty. This report reflects gifts received from July 1, 2021 to June 30, 2022.

Endowments

These endowments fund over half of the over \$5 million in need-based assistance that is awarded to Saint Ignatius College Prep students each year. Other endowments support school programs, professional development and ongoing maintenance. Many endowments are created in memory or honor of a friend, mentor or loved one, however, they also are established by alumni in the form of class gifts. In 2021-22, 366 students benefited from endowment gifts. These gifts help us continue our school mission of fostering a socio-economically diverse student body. Please know that any endowment may be contributed to even after it has been fully funded, and the school highly encourages these gifts. Prior to July 1, 2000, endowments were fully funded at \$50,000. Since that date, endowments reach maturity at \$100,000. We are grateful to all the benefactors who have funded, and continue to fund, these important legacies for the future!
