CLASS OF 2024

Match your Common App with Naviance.

Mr. Gomez reviewed this two-step process at the Senior Application Night. If you need a refresher, check out the slides from that session in BlackBaud under "Resources> College Counseling." The detailed instructions are included on slides 27-32. In order for your college counselor to submit your transcript and letters of recommendation, you must complete the FERPA Waiver and match the Common App with Naviance.

Confirm that all of your colleges are listed on your Naviance "Colleges I'm Applying To" list.

Indicate the appropriate deadline and application type. If you are applying to any schools directly (not using the Common App), you must add those schools individually. Instructions for doing so are located in Naviance under "Document Resources> Seniors- Class of 2024". Your college counselor will send your materials only to the schools you designate on the "Colleges I'm Applying To" list.

Check in with your teacher(s) regarding your letter of recommendation.

Provide any updates since the time you made the request, confirm your application deadlines, and express gratitude for their assistance.

A MESSAGE FROM THE DEANS' OFFICE

LOST AND FOUND

Due to an excessive number of items left in the lost and found already this semester, the Deans' Office will donate all lost and found items at the end of the day on Friday, October 13th. Please see Mrs. Pagels in the Deans' Office if you are looking for any of your belongings. We have a large number of backpacks, water bottles and lunch boxes, plus plenty of clothing.

CLEANLINESS OF OUR DINING HALLS

Students frequently leave large amounts of trash at their lunch tables in both Damen and Tully Halls. The picture illustrates what we see many days, and it's not indicative of our Ignatian character.

Students: Please take greater responsibility in making sure you clean up after yourselves. It is also your responsibility to encourage your classmates to do the same. We all have to take pride in our community, and Quest employees should not have to take care of your garbage.

STUDENTS WHO LEAVE TRASH AT THEIR TABLES WILL BE SUBJECT TO JUG.

FORMATION AND MINISTRY - STUDENT

JUNIORS: TIME TO LEARN ABOUT SUMMER IMMERSION TRIPS AND SENIOR RETREATS IN 2024

All members of the Class of 2025 will attend a **mandatory Activity Period assembly on Tuesday, October 24** to learn more about senior programs with Student Formation and Ministry.

At this assembly, we will present elective choices for the **required senior retreat program** for next year. Students will hear

from current seniors about their experiences in all of these programs and the process of signing up and placement.

We also will introduce our **summer immersion trips** which happen in June, July and August. As a reminder, **participating in a trip counts towards the senior retreat requirement**. We know summer schedules fill up quickly, so we want to be sure students have all the information to plan for these signature faith and justice experiences.

Additionally, we will promote two justice trips, the Ignatian Family Teach-In (October 2024) and the March for Life (January 2024). Even though these service and justice trips are optional, we want as many students to participate in them as possible.

FRESHMAN/SOPHOMORE SERVICE REQUIREMENTS

Parents, please check in with your freshman and sophomore students about their plans for service for this upcoming year and encourage them to stop by Formation and Ministry to have their plans approved.

Please note that the requirements for sophomore year service are different than for freshman year. Requirements and FAQ's for sophomore year service can be found [in this document](#). Requirements and FAQ's for freshman year service can be found [in this document](#). Students have also received this same information.

FRESHMAN RETREAT: WEDNESDAY, OCTOBER 11

All freshman will attend their on-campus retreat on **Wednesday, October 11**. They should check in at the Church of the Holy Family by 7:45 a.m., and the day will conclude at 3:00 p.m. Please note there will be no afternoon shuttle bus service to the downtown Metra on this day (due to early dismissal for the PSAT). **All parents/guardians of freshmen should complete this required permission form AS SOON AS POSSIBLE so we can be sure to accommodate dietary restrictions for lunch.** Please contact [George Doyle](#), First Years Chaplain, if you have questions.

NEWS YOU CAN USE...

Saint Ignatius College Prep needs YOUR help. The Invest in Kids Act Tax Credit Scholarship Program could disappear if we don't tell Illinois legislators how important it is to families of the Pack and across the state. If the Illinois General Assembly fails to take action in 2023 to save the program (which you might recognize as Empower Illinois or the Big Shoulders Fund), 9,500 students from income-challenged families in Illinois will lose their scholarships and potentially their ability to attend their best-fit school. How does this hit home? Nearly 100 Saint Ignatius students receive Empower money that makes their Ignatius formation and education possible. You can help them and other students who benefit from the program, by calling or writing your legislator. Adding your voice to the conversation is as easy as clicking a button...

FINAL THOUGHT...

October is Breast Cancer Awareness Month, a time that hits close to home for Survivors far and near, including this writer. When I see our students lining up to get a t-shirt that says "Saint Ignatius Wears Pink," it takes me back to the support I felt from the greater community when I went through my own fight eight years ago. Speaking from experience, I can tell you there's nothing better than knowing people - even complete strangers - are sending prayers and good thoughts your way during the toughest of times.

So we are taking this opportunity to shout out the Spirit Store's Tina Bobor, who designed this year's shirt for the "Think Pink" game which is Friday, October 6. BIG thanks, too, to members of the Saint

Ignatius College Prep Cancer Awareness Club and every single student who's bought a shirt (more than 300 so far) as part of the effort to send a message this month that the Wolfpack is thinking about every wife, mother, sister, cousin, friend and co-worker who's living with the disease. Here's to finding a cure!
