## CAMPUS SAFETY UPDATE

The subject of safety and security will remain in this spot, here in the *Wolfpack Post* to keep it top-of-mind for everyone at Saint Ignatius College Prep. We continue to work on a multitude of measures to safeguard our building and everyone in it. To review, those include:

- The addition of a day-shift, in-house, off-duty police officer who is armed, and is on campus 9:00 a.m. - 5:00 p.m. Monday through Friday.
- Student ID checks from 6:00 a.m. - 10:00 a.m. at the student entrances off the Walsh Garden and the Quad.
- The in-house security monitoring of our parking lot from 3:00 p.m. to 6:00 p.m. every school day.
- The formation of a safety advisory board which includes parents and administrators.

Our safety net also extends into our neighborhood. Here are some of the highlights:

- We have a network of cameras tied to Chicago's Emergency Operations Center.

For a full list of events, please see our school calendar.

#### GRAD-AT-GRAD VALUES

Open to Growth  
Intellectually Competent  
Religious  
Loving  
Committed to Doing Justice

#### PRAY

#### SPIRIT

#### QUEST FOOD SERVICES

#### VENTRA CARD

- Saint Ignatius College Prep has retained an armed Sentinel Security guard to patrol the campus exterior in a marked car after school, from 3:00 p.m. until 8:00 p.m. Monday through Friday and at other times when there are events.
- Coaches have received instruction in evacuation procedures for outside activities.
- We have a vehicle with security signage and mars lights that we use to broadcast "presence" around campus and the neighborhood.

**Our leadership team continues to engage city leaders so they understand our concerns and hopefully act on them.** It's imperative our District 12 Chicago Police Officers know we appreciate their work to keep our students, faculty and staff safe. Just before Thanksgiving, Saint Ignatius College Prep and Board Chair Martin Cabrera thanked officers for all they do with a luncheon at the district.

#### PERSONAL SAFETY REMINDER

We're also taking this opportunity to remind our community, a little personal safety goes a long way. Always be aware of your surroundings: Don't get lost in your phone. Please remove earbuds when you're walking in the neighborhood. Finally, don't walk alone. Go places in groups!

There will be a Memorial Mass and reception for Fr. George Lane, S.J. on **Sunday, December 17** at Church of the Holy Family. Mass will begin at 1:30 p.m. followed by a reception in Tully Hall at Saint Ignatius College Prep. In many ways, Fr. Lane, S.J. is the "Second Founder" of Church of the Holy Family. As a founding member of the Holy Family Preservation Society, he helped lead the effort to stave off the demolition of the historic 1857 church and helped raise over \$1 million in restoration funds before a looming deadline in the 1990s. His appreciation for this deeply spiritual and lovingly crafted church, built by Fr. Arnold

Damen, S.J., knew no bounds. His dogged support for its care and maintenance over the decades made Fr. Lane one of the best advocates for its continued preservation and religious purpose to people all over Chicago.

## A MESSAGE FROM THE DEANS' OFFICE

### LOST AND FOUND

Please note: We will donate **ALL** lost and found items at the end of the day on December 15. Please stop by the Deans' Office before that day to potentially claim your lost items.

### ATTENDANCE COMMUNICATION REVIEW

Parents, as the semester draws to a close, many families have received communication from the Deans' Office regarding student absences. We understand these notices can be concerning and want to emphasize that this outreach is extended in the hope of promoting transparency and good communication. We want to avoid catching a family off guard when a student's absences reach a problematic volume. Please see the Saint Ignatius College Prep absenteeism policy below. You can find all attendance policies in the Saint Ignatius Parent Student Handbook, pages 29-32.

**Missing 10% of the days (18 in a school year) is considered excessive absenteeism and may result in loss of grade earning status or academic credit. When a student misses nine (9) days of school, a conference with a school administrator, the student's counselor, and the student's parent(s)/guardian(s) may be scheduled to discuss grade-earning designation and attendance expectations for the remainder of the academic term.**

The Deans' Office typically issues an attendance notification when a student reaches five (5) absences, then again at seven (7) absences. Absences due to school sponsored activities - retreats, athletic events, academic competitions, field trips and a limited number of college visits for upperclassmen - are the only types of absences not counted in these totals. In promoting awareness of accumulated absences, we hope families are well-informed for decision-making regarding additional discretionary absences for the remainder of the academic term and limiting discretionary absences whenever possible.

## FORMATION AND MINISTRY - STUDENT

### Ignatian Values Day #2 “Eucharistic Revival” and Sacramental Life in Advent:

Advent provides many opportunities for students to prepare their hearts for the coming of Jesus. We will have two all-school Masses in December. The first will be a part of our second [Ignatian Values Day on December 1](#), which will focus on

the [Eucharistic Revival](#) currently taking place in the Catholic Church in the United States. Beginning on the feast of Corpus Christi in 2022 and concluding with a [National Eucharistic Congress](#) in 2024, the bishops of the United States have invited the Catholic faithful to renew our love for Jesus in the Eucharist and to recognize its transformative power in helping us become people of love and service. We are blessed to be joined by Rev. Timothy Monahan, Director of Vocations for the Archdiocese of Chicago. In addition to Mass, students will have time to reflect on the meaning of the Eucharist in their lives, experience prayer before the Blessed Sacrament, and share food and fellowship in their homerooms. The second Mass will be for the [Solemnity of the Immaculate Conception](#) on Thursday, December 8.

## FRESHMAN/SOPHOMORE SERVICE DEADLINES

Deadlines for freshman and sophomore service hours are approaching quickly. Five hours for freshmen are due by Wednesday, December 6. Sophomores must complete 10 service hours by Friday, December 8. As a reminder, all students should contact [Mr. Doyle](#) to discuss each new service opportunity before beginning service.

## FINAL THOUGHT...

As we go into semester exams, finding ways to take a breath and keep calm can help.

Total Wellness teacher, Katie Blume, took time to write about some of her students who are doing just that.

Blume says, "My mind and body students demonstrated a clear and comprehensive understanding of the aspects of a full yoga practice, while effectively performing various poses and transitions. Through their understanding of muscle use and alignment, students were able to grasp the benefits and advantages of different poses.

They then developed additional abilities to use modifications and cues to adapt to the flow for each individual yoga pose depending on the particular difficulty level and individual abilities, allowing options. Also, at the end of each practice, students were given the opportunity to practice mindfulness meditation, allowing them to focus on being grateful and calm within their mind and body thus focusing on inner strength."

Wishing all students calm and inner strength for the exams to come!
