**Committed to Doing Justice**

It's been a great couple of weeks of working together! The proof of that statement is in two amazing accomplishments. The first and most recent was SIMUN's performance at the North American Model United Nations Conference (NAIMUN) in Washington, D.C. The students certainly brought their collective best to what you might call the team's version of "nationals." Saint Ignatius College Prep joined 3,300 delegates from 175 schools around the world. SIMUN Program Director Diane Haleas says, "Our team persevered through four days of intense, challenging diplomacy."

During their free time, members of the team met to bounce ideas off one another or talk through frustrations. They also came together every night at Mass, which typically would run until 1:00 a.m. Haleas says it was the spiritual and personal connection piece that strengthened their team.

Their hard work and their attention to "team" paid off: SIMUN won **OUTSTANDING LARGE DELEGATION!** Haleas explains, "To win a delegation award, a team must win numerous awards in many committees. It is a formidable task that requires months of preparation and practice. It's why our SIMUN team adopted TEAMWORK as our theme for this conference."

One of the quotes they focused on for inspiration: "**THE STRENGTH OF THE WOLF IS IN THE PACK.**" You can hear (right [HERE](#)) the students' chant in victory - a victory that clearly didn't ride on just one person. At NAIMUN the whole group mattered. In life collaboration matters. What great preparation. Congrats to our SIMUN team.

**KUDOS** are also in order for the Saint Ignatius College Prep Ethics Bowl team. Hard work and perseverance were the ingredients for their victory at the state championship. The juniors who are advancing to the nationals (the second year in a row for Saint Ignatius) are part of a 75 member team. Moderator and teacher, Mr. Nate McPherson says, "I think they compliment each other really well...They have fun working together. They enjoy it."

As a group, they research cases and the validity of arguments tied to those cases. According to McPherson, the winning team has put an incredible amount of time into preparation, and has done a really good job defining each person's role within the presentation framework. Again, team work makes the dream work. Good luck at the national championship in April!

## CHURCH OF THE HOLY FAMILY

### A SPECIAL VISIT

Fr. Brian Taber, S.J. and the Church of the Holy Family's Tina Bobor and Wendy McCarthy have been working together to make a special visit possible.

Fr. Eric Immel, S.J. has been touring Canada and the United States with the skull relic of Saint Jean de Brébeuf. As part of his tour - which is stopping here on Friday, March 1 - he educates people about the life and death of the Jesuit missionary (pictured in the image) who was martyred in 1649 while doing the work of the Faith.

Literature about the tour says the skull relic has become "a focal point of veneration...attracting pilgrims and believers seeking spiritual solace and connection to the martyred missionary's legacy."

Saint Ignatius College Prep students will be able to connect with that legacy when their theology sections visit with Fr. Immel at the Church. By the end of the day, some 1,000 members of the Wolfpack will have seen and learned about the relic of the Saint who, in the words of Fr. Taber, "really lived and did good for the sake of the Gospel."

**Students who do not have a theology class on March 1, and who would like to learn about the relic, can do so immediately after school. Fr. Immel will be at the Church.**

The greater community also will have an opportunity to see the reliquary and the relic of St. Jean de Brébeuf. Fr. Immel will be part of a **Mass at 6:00 p.m. at the Church of the Holy Family on March 1**. A presentation will follow at 7:00 p.m., and veneration of the relic will be from 8:00 to 9:00 p.m. There's also a gathering at Saint Ignatius College Prep starting at 8:00 p.m. Please use the "QR" code here to get to the registration information.

### **SAFE REPORT FORM**

For students to achieve their highest potential at Saint Ignatius College Prep, they must be and feel SAFE. Saint Ignatius deployed the SAFE Report Form more than one year ago as part of the school's ongoing effort to optimize safety and well-being. It is accessible in the [Parent/Student Handbook](#) or through the Parent Portal in Blackbaud. All members of our community may use the SAFE Form to report incidents detracting from the best of our Saint Ignatius core values and the "Respect and No Harassment Policy." The prefect of mission and the deans will collaborate with all critical and sensitive parties to review and appropriately respond to form submissions (e.g. incidents related to

verbal/physical aggression, bias, bullying, discrimination, harassment, racial slurs, etc.). Special thanks go to members of the Anti-Racism and Anti-Bias Cohort, the Diversity Club, and the School Culture - Diversity, Equity, Inclusion, and Belonging Committee for helping to create the SAFE Report Form.

### **NEW STUDENT REPRESENTATIVES FOR THE BOARD OF TRUSTEES SCHOOL CULTURE - DEIB COMMITTEE**

The Board of Trustee's School Culture - Diversity, Equity, Inclusion, and Belonging (DEIB) Committee will be seeking student representatives to fill seats soon to be vacated by graduating seniors who are completing their final terms on the Board Committee. Student representatives to the Board advocate for the student body on matters appertaining to improving diversity, equity, and inclusion and further enhance the safety and well-being of all students. New Student Representative Application forms to the DEIB committee are forthcoming. Please contact [Dr. John G. Igwebuike](#) (Director of School Culture--Diversity, Equity, and Inclusion) if you are interested.

## Unexpected Turns: The Conversions of St. Ignatius Loyola

March 8 - 10, 2024

Retreat Leader: Fr. Michael J. Graham, S.J.

Against the background of his Spiritual Exercises, we will explore the life of St. Ignatius Loyola, focusing on a series of “conversions” where life as he expected took different turns. These turns all required him to adapt to where God seemed to be leading him - just as the twists and turns in our own lives force us to reflect on and adapt to where God is calling us. The retreat will introduce a variety of ways to pray.

This week's "shout-out" is brought to you by Fr. Mark Luedtke, S.J. '86, and it's for seniors who came out in force Thursday morning to celebrate their faith together at the Kairos Alum Mass.

His email:

"The Thursday morning mass in the Chapel of the North American Martyrs (Cuneo Chapel) was standing room only this morning as newly minted Kairotics joined other Kairos alums and members of the Ignatius community. Every seat was filled, almost all by students! Fr. Pat Fairbanks, S.J., presided and reminded all of us to attend mass regularly...He was preaching to the choir. We are hoping to get even more students next week as we 'Pack the house' and 'Live the 4th.' What a great way to start a school day!"

And, what a great way to end this *Wolfpack Post*.
